

JOINT INSTITUTE FOR NUCLEAR RESEARCH
Bogoliubov Laboratory of Theoretical Physics

International Workshop
"*Supersymmetries and Quantum Symmetries (SQS'2017)*"
July 31 - August 5, 2017, Dubna

2nd Announcement

The Workshop SQS'2017 will be held at the Bogoliubov Laboratory of Theoretical Physics (JINR, Dubna) from 31 July to 5 August, 2017. The main topics are: superstrings and superbranes, quantum and geometric aspects of supersymmetric theories, higher-spin theories, supersymmetric integrable systems, quantum groups and non-commutative geometry, standard model and its supersymmetric extensions.

Please register on the SQS'17 website <http://theor.jinr.ru/sqs17/> if you have not done it so far. The deadline of registration is extended until June 15, 2017.

The preliminary list of participants will be published on the Workshop website in the beginning of June.

Registration in Dubna

It is expected that most of the participants will arrive on Sunday, 30 July. The Seminar starts at the Bogoliubov Laboratory of Theoretical Physics, JINR, on Monday, 31 July, at 10 a.m. and ends on Saturday, 5 August, at noon. The Conference Registration Desk will be open at the Laboratory of Theoretical Physics on Monday, 31 July, from 9 a.m.

The participation fee is 450 Euro. It covers breakfasts and lodging during the Workshop, transportation from Moscow to Dubna and back, break refreshments, social program, and a copy of the Proceedings book. The payment (in cash only) will be accepted by the Organizing Committee in Dubna upon registration. We regret that no travellers cheques can be accepted.

Accommodation

Participants will be accommodated in the Hotel Dubna (Vekslera str. 8) within a walking distance from the Laboratory of Theoretical Physics.

Transportation

Those participants who are not able to come to Dubna from Moscow airports on their own are asked to inform the Organizing Committee not later than three working days before arrival by e-mail about the exact flight number, date and time of arrival. In the airport/railway station, the participants will be met by the representatives of the Organizing Committee carrying the label "DUBNA."

There is also a regular train service to Dubna from Savelovsky Vokzal (railway station) in Moscow.

VISA Information

The participants who need Russian visa and who have not yet sent their personal Visa information to Mrs. Natalia Dokalenko (e-mail: doknatasha@jinr.ru, fax (7-49621) 65891 or (7-49621) 65599) are kindly asked to do this as soon as possible.

Workshop Program

We kindly ask you to send us the preliminary title of your talk if you did not indicate it upon registration. The list of talks and the schedule of the Workshop SQS'2017 will be published at the Workshop website <http://theor.jinr.ru/sqs17/> by Monday, 17 July.

Contact information

All information inquires regarding the scientific program or participation should be addressed to the Scientific Secretary of Organizing Committee, e-mail: sqs17@theor.jinr.ru.
