

CQIS-2012 Proceedings

The Workshop Proceedings will be published as a separate volume of the journal

Theoretical and Mathematical Physics

Russian edition website: <http://www.mathnet.ru/tmf>

English edition website: <http://www.springerlink.com/content/0040-5779/>

Original contributions from people invited to participate in the Workshop are welcome. All manuscripts will be subject to refereeing as regular papers. In preparing your work for publication please note that:

- Deadline for sending manuscripts is **May 1, 2012**
- As a rule, the size of the contribution is limited by **15 journal** (i.e., the standard TeX) pages.
- Contributions may be written in English or Russian. All manuscripts accepted for publication will be translated either from Russian to English or from English to Russian for publishing in both the Russian and English editions of the journal.
- Any (La)TeX dialects are accepted

The manuscripts are to be sent to TMPH's Managing Editor Mrs. Svetlana Sushko
